### **Notes on Fundraising:**

Each family to the YBCS is assigned a fundraising commitment, except for the students mentioned above. These funds are used to sustain the school's operations and for costs associated with the Spring School Recital. No money from these commitments is used towards the Company or the RAD program.

Your family's fundraising commitment is based on the number of classes taken per week by all members of your family who are students of YBCS.

### **Fundraising Options:**

- Funds may be raised by working
  - bingos (\$60 value per bingo),
  - selling cases of chocolates (\$30 value per case sold) or
  - payout either in a lump sum or divided evenly with monthly fees.
- You may also do various other things, if needed, such as sewing costumes, building props, etc for credit on your account.
- Once your commitment is met, you will not have to do any other fundraising for the year.
- Your choice of fundraising method must be stated on your registration form.

If you wish to take advantage of this, please wait until 3 ½ weeks prior to Bingo Wednesday before signing up in any available slots. (This is to allow those who need to meet their fundraising need the opportunity to sign up first).
  2. Sign up sheets are posted in the outer office. Please sign up in person or by calling the YBCS office at 306-352-9908. Sign-up sheets will remain available until the Friday 1 ½ weeks prior to the Wednesday Bingo. Additions and/or deletions after that time may be made by calling Michelle Chaykowski at 306-790-7512. Questions pertaining to credits and/or accounts should be directed to the YBCS office.
  3. Any person who signs up to work a Bingo but cancels 1 ½ weeks prior to the Bingo date without providing a replacement worker will be charged \$90.
  4. The Bingo Hall occasionally offers YBCS to work at additional Bingos. When this occurs, it is usually on short notice and on weekends or nights other than Wednesday. If you wish to be given the opportunity to work at these, please advise Michelle Chaykowski at the above number.
